

Diyan M. Raza, MD

Board Certified Psychiatry and Neurology
Board Certified American Society of Interventional Pain Physicians
DrRaza@goclinicmd.com

EDUCATION

- Swedish Providence Hospital – Swedish Neuroscience Institute**
August 2023 – July 2024 • Seattle, WA
Neurointerventional Spine Fellow (Interventional Pain, Regenerative Medicine, & Endoscopic Spine)
- Larkin Community Hospital - Palm Springs Campus** • *July 2021 - June 2023* • Miami, FL
Chief Neurology Resident
- Detroit Medical Center/Wayne State University** • *July 2020 - June 2021* • Detroit, MI
Neurology Resident
- Detroit Medical Center/Wayne State University** • *July 2019 - June 2020* • Detroit, MI
Transitional Year Intern
- Ross University School of Medicine** • *July 2012 - June 2017* • Detroit, MI
Doctor of Medicine (M.D.)

PROFILE SUMMARY

- ✓ Accomplished in diagnosing complex medical and neurological problems by referring to a patient’s history, exam, radiological interpretation, and additional neurological diagnostic testing.
- ✓ Proficient in ordering neurological tests and interpreting the results of neuroimaging studies.
- ✓ Competent in monitoring the behavioral and cognitive side effects of treatment and medication.
- ✓ Skilled in managing patients suffering from TBI and behavioral, cognitive, and physical sequelae.
- ✓ Extensive experience in interventional pain management procedures, particularly under fluoroscopy.
- ✓ Proficiency in performing Epidural Injections, Medial Branch Blocks, and RFAs.
- ✓ Strong dedication to patient-centered care and delivering exceptional treatment outcomes.
- ✓ Excellent interpersonal and communication skills to effectively collaborate with patients and the medical team.

CORE COMPETENCIES

- ✓

Radiologic exam interpretation
- ✓

Thrombolytic Therapy
- ✓

Management of vascular, autoimmune, neuromuscular disorders
- ✓

Extensive experience in interventional pain management procedures, particularly under fluoroscopy
- ✓

Strong dedication to patient-centered care and delivering exceptional treatment outcomes
- ✓

Diagnostic/therapeutic taps
- ✓

EEG, Brain Death Exam, EMG
- ✓

Proficient in orchestrating care of ICU/NCC patients
- ✓

Proficiency in performing Epidural Injections, Medial Branch Blocks, and RFAs
- ✓

Excellent interpersonal and communication skills to effectively collaborate with patients and the medical team

BOARD CERTIFICATES

- USMLE Steps 1, 2, 3 – PASS 2017, 2019, 2020
- American Board of Psychiatry and Neurology September 2023
- American Society of Interventional Pain Physicians September 2024

PEER REVIEWED JOURNAL ARTICLES/ABSTRACTS (OTHER THAN PUBLISHED)

- Mlacker, M., Raza, D., Gerasymchuk, G., Khan, N.. (2017, Jul). Scimitar Syndrome in an Asymptomatic Adult. American College of Radiology: Case in Point.
Pub Status: In-Press.

POSTER PRESENTATION

- Grayson, D., Raza, D.. (2022, April 22). Role of MRI in the Assessment of Treatment Response after Lumbar Radiofrequency Ablation for Lumbar Facet Joint Arthropathy [Poster presented]. Research Day/Detroit, MI, USA.
- Lukasewicz, A., Sandhu, R., Mergo, P., Raza, D., Gerasymchuk, G.. (2018, April 01). Lung-RADS: Lung CT Screening Reporting and Data Systems [Poster presented]. St. Joseph-Mercy Oakland Hospital Research Day/Pontiac, MI, USA.
- Lukaszewicz, A; Sandhu, R; Dankha, M; Gerasymchuk, G; Raza, D; Kuhnlein, R. (2016, November 01). Practice Ready? Assessing Medical Students' Abilities in Recognizing Important and Emergent Radiological Findings [Poster presented]. RSNA 2016/ Chicago, IL, USA.
- Mlacker, M., Hayes, B., Raza, Gerasymchuk, G.. (2018, April 01). Allergic Bronchopulmonary Aspergillosis in Patients with Cystic Fibrosis [Poster presented]. St. Joseph-Mercy Oakland Hospital Research Day/Pontiac, MI, USA.
- Mlacker, M; Raza, D; Gerasymchuck, G., Khan, N.. (2017, November 01). Scimitar Syndrome in an Asymptomatic Adult [Poster presented]. RSNA 2017/Chicago, IL, USA.
- Nasser, M., Raza, D., Majjhoo, A., Sukumaran, H.. (2021, April 16). Patient Characteristics that Predict Successful Spinal Cord Stimulator Trial [Poster presented]. Detroit Medical Center Pain Fellowship Research Day/Detroit, MI, USA.
- Raza, D., Collado, R., Mercho, P., Youssef, P.. (2021, September 24). A case of Left Internal Carotid Artery Stroke due to Fat Embolism from Novel Cosmetic Procedure [Poster presented]. Kendral Regional Medical Center Research Day/Kendall, FL, USA.
- Raza, D., Collado, R., Youssef, P.. (2021, August 20). Suspected Transverse myelitis 72 hours after the administration of an mRNA COVID 19 vaccine [Poster presented]. Kendall Regional Medical Center Research Day/Doral, FL, USA.

POSTER PRESENTATION

- Raza, D., Goodman, J.. (2018, April 01). Leptomeningeal carcinomatosis and Diffuse large B cell lymphoma [Poster presented]. SJMO Resident Research Day/Pontiac, MI, USA.
- Raza, D., Halon, M., Lee, J. . (2021, May 21). Implementation of Standardized Approach for Early Screening for Diabetic Retinopathy [Poster presented]. Detroit Medical Center Annual Quality Improvement Day/Detroit, MI, USA.
- Raza, D., Hanna, J.. (2018, April 01). Metastatic Prostate Adenocarcinoma and Synchronous Multiple Myeloma [Poster presented]. St. Joseph-Mercy Oakland Hospital Research Day 2018/Pontiac, MI, USA.
- Raza, D., Keller, M., Shah-Reddy, I.. (2018, April 01). The Efficacy of Intravenous Immunoglobulin in Immune Thrombotic Purpura with Evans Syndrome [Poster presented]. St. Joseph-Mercy Oakland Hospital Research Day/Pontiac, MI, USA.
- Raza, D., Mckenzie, K., Gerasymchuck, G.. (2018, April 01). Pseudoaneurysm of the Breast Following Core Biopsy [Poster presented]. St. Joseph-Mercy Oakland Hospital Research Day 2017/Pontiac, MI, USA.
- Raza, D., Rao, S.. (2021, May 21). Large Left cavernous ICA Aneurysm: A Likely Sequelae of COVID-19 Infection [Poster presented]. Detroit Medical Center Research Day/Detroit, MI, USA.
- Raza, D; Siddiqui, A; Kakulavarum, A; Diaczok, B. (2016, April 01). Elevated CA 19-9 with a Pancreatic Mass Does not Confirm Cancer of the Pancreas [Poster presented]. St. Joseph-Mercy Oakland Hospital Research Day 2016 Pontiac, MI, USA.

ORAL PRESENTATION

- Raza, D. (2017, September 01). Ultrasonography versus Computed Tomography for Suspected Nephrolithiasis [Oral Presentation]. St. Joseph-Mercy Oakland Radiology Journal Club/Pontiac, MI, USA.
- Raza, D.. (2017, February 01). Dual Hybrid Fractional Laser allows Simultaneous ablative, Non ablative Treatments [Oral Presentation]. Rivage Day Spa - Dr. Ahmet Karaca/Birmingham, MI, USA.
- Raza, D.. (2021, January 15). Blood pressure levels and the risk of intracerebral hemorrhage after ischemic stroke [Oral Presentation]. Detroit Medical Center Neurology Journal Club/Detroit, MI, USA.
- Raza, D.. (2021, August 20). Effect of low-dose lidocaine on objective upper extremity strength and immediate pain relief following cervical interlaminar epidural steroid injections: a double blinded randomized controlled trial [Oral Presentation]. Design Neuroscience Center Journal Club/Miami, FL, USA.
- Raza, D.. (2021, September 17). Progressive Multifocal Leukoencephalopathy (PML) - Immune Reconstitution Inflammatory Syndrome (IRIS) in a HIV patient with CD4 count <200 [Oral Presentation]. Design Neuroscience Center Didactics/Doral, FL, USA.
- Raza, D.. (2021, October 15). Ideal Corticosteroid Choice for Epidural Steroid Injections: A Review of Safety and Efficacy. [Oral Presentation]. Design Neuroscience Center Journal Club/Miami, FL, USA.
